

## Christmas Day

I can still see your face  
Frozen at the terminal gate  
Where right beside you I set  
Your last suitcase down

We were closing the year  
And we were stopping the tears  
For too long they came like a river  
Between you and me

***Maybe there's someone  
Better for you  
And maybe there's someone  
Better for me  
Oh***

I guess your feelings for me  
Left along with your plane  
And I drove home in the rain on  
Christmas Day

***But maybe there's someone  
Better for you  
And maybe there's someone  
Better for me  
Oh***

I tried to find the reasons why  
We had to let it go  
It was the hardest thing for me  
I hope you know

***But maybe there's someone  
Better for you  
And maybe there's someone  
Better for me  
Oh***
