

## **Fallin' Deeper**

I want to take a moment to look at my life  
I'm thankful for opportunities that have arrived  
My life was emptier before you  
But when we're together I realize

***I just can't help but see each day  
I'm fallin deeper fallin deeper oh oh  
And with each step we take here in this world  
My life just gets much easier when I'm fallin deeper  
In love with you***

We may have had our share of troubled water  
But now we look back and smile we made it through  
They say that love either grows or it dies  
But when we're together I realize

***I just can't help but see each day  
I'm fallin deeper fallin deeper oh oh  
And with each step we take here in this world  
My life just gets much easier when I'm fallin deeper  
In love with you***
